

# Courtney Kalbach Toland

---

Innovative Educator with a strong background in designing and delivering technology-integrated professional development sessions for teachers and adult learners. Proven ability to inspire educators to adopt technology, improving engagement and learning outcomes. Recently earned a Certificate in Full Stack Web Development from the University of Pennsylvania Coding Bootcamp, underscoring a commitment to mastering both front-end and back-end technologies. This achievement equips me to design comprehensive web solutions tailored to educational needs, facilitating interactive learning experiences.

## Skills:

- JavaScript, APIs, GitHub, HTML5, CSS3, Express, MySQL, Node.js, Bootstrap, jQuery, Figma
- Schoology, SMART Technologies, Google Workspace for Education, Remind, Pear Deck, GoGuardian Finalsite, Powerschool
